

ETAG Corporation

Operation & Maintenance Training

Training:

- Over 14 years of experience training WWTP & WTP Operators.
- ETAG O&M experience makes our training practical & with and effective and easy delivery.
- Trainings can be delivered in Spanish or English.
- We can take care of all the training, including training rooms, A/V, materials, etc.
- Anytime...Anywhere in Puerto Rico.
- There is a difference between saying and doing. But we teach what we do everyday. Operators training Operators

ETAG Corporation is number one resource for operators training. More than 150 private companies and government agencies, and over 800 WWTP or WTP operators have taken our trainings. Our effective delivery is well known in Puerto Rico, we teach what we do everyday in our WWTP & WTP operation projects, and had proven that works.

Give us a call, we can evaluate your needs and provide you with a “tailor fit” quote for your needs. References can be provided upon request along the process.
