## Operators Certification Preparation Courses

### **Operators Certification Preparation Courses:**

- *ETAG was the first to develop and deliver an Operator Certification Preparation Course based in Puerto Rico's needs.*
- *Courses are delivered by our Certified Operators. Operators training operators. We speak and think in the same language.*
- *Anytime ... Anywhere in Puerto Rico.*
- *Over 95% of more than 800 operators that have taken our course have passed their certification exam.*
- *Our clients includes private industry and government agencies, including PRASA's supervisors and operators.*
- *Drinking Water & Wastewater.*

ETAG Corporation was the first to develop and deliver a "Operator Certification Preparation Course" under actual needs. More than 150 private companies and government agencies, and over 800 WWTP or WTP operators have taken our courses. We depend on having good and certified operators, therefore training operator is everyday work for us.

Give us a call, we can evaluate your needs and provide you with a "tailor fit" quote for your needs. References can be provided upon request along the process.
