

ETAG Corporation

Process Control & Technical Assistance

Process Control & Technical Assistance:

- *Drinking Water & Wastewater*
- *Development of process control programs and strategies.*
- *WWTP or WTP O&M evaluations.*
- *Shadow Staffing*
- *“On-the-Job-Training”*
- *WWTP supervision and technical assistance.*

ETAG Corporation expertise in Drinking Water Treatment Plants or Wastewater Treatment is available to you and your company. We can assist you and your staff in improving your plant operations and process control program. Our proven strategies will be adjusted to your specific needs. We believe in a completely technical approach to operate treatment plants, reproduce results and assure compliance.

Give us a call, we can evaluate your needs and provide you with a “tailor fit” quote for your needs. References can be provided upon request along the process.
