“Turn Key Projects”

Turn Key Projects:

ETAG can provide you with a total approach. Ideal for treatment plants projects with schedule limitations that requires efficient and “fast track” approaches. Between ETAG staff and additional experienced external resources we can provide:

- *Planning*
- *Equipment Procurement*
- *Engineering*
- *Permitting*
- *Construction*
- *Start-up & de-bugging*

**WWTP Project 2003
Industrial**

ETAG Corporation can provide you with an efficient alternative for your Drinking Water or Wastewater Treatment plant project. The combination of our staff and experienced multidisciplinary external resources is an effective approach to your project. Let us be part of your team and assist you with your needs.

Give us a call, we can evaluate your needs and provide you with a “tailor fit” quote for your needs. References can be provided upon request along the process.
